

Create a Learning Path

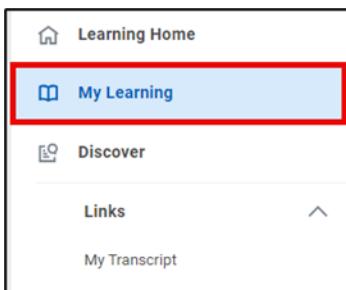

A learning path contains multiple courses arranged in the order you choose. Learning paths can organize content for a specific topic, role, or just your interests. To create a learning path:

Create a Learning Path

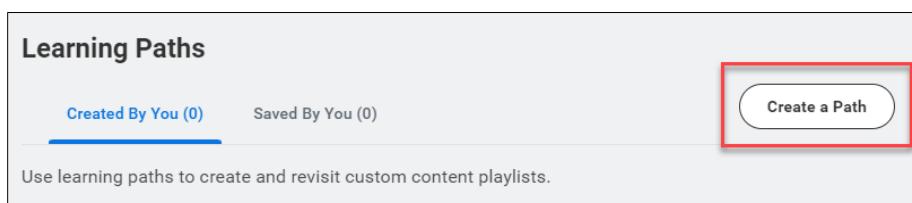

1. From the home page, select the **Menu** in the left-hand corner.
2. Then, select the **Learning** app.

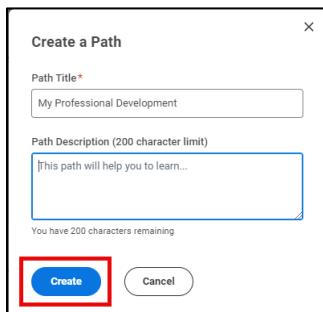

3. Select the **My Learning** tab within the Learning app.

4. You can create a Learning Path to develop a custom playlist of content that interests you, tied to a theme or category. Select **Create a Path**.

5. Enter a **Path Title**.
6. Optionally, enter a **Path Description**.
7. Then select **Create**.

8. Select **Go to Learning Path** to add content from the Learning Catalog.

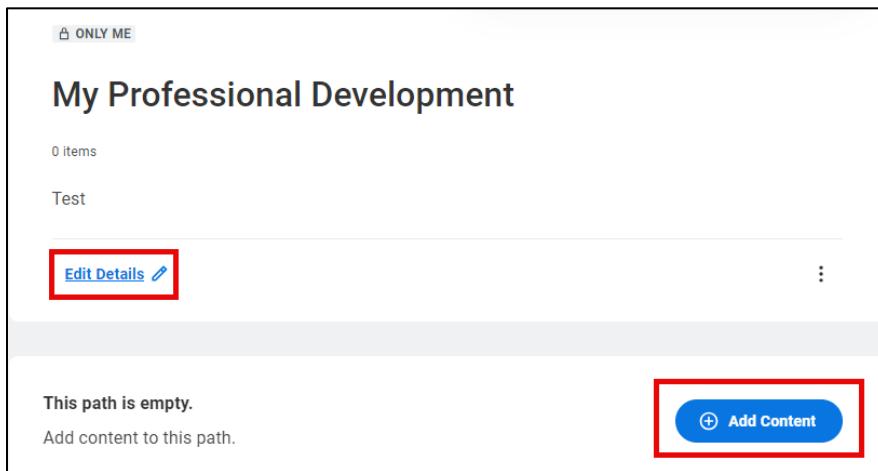

9. Your new learning path will appear under **Created By You** on the My Learning page.

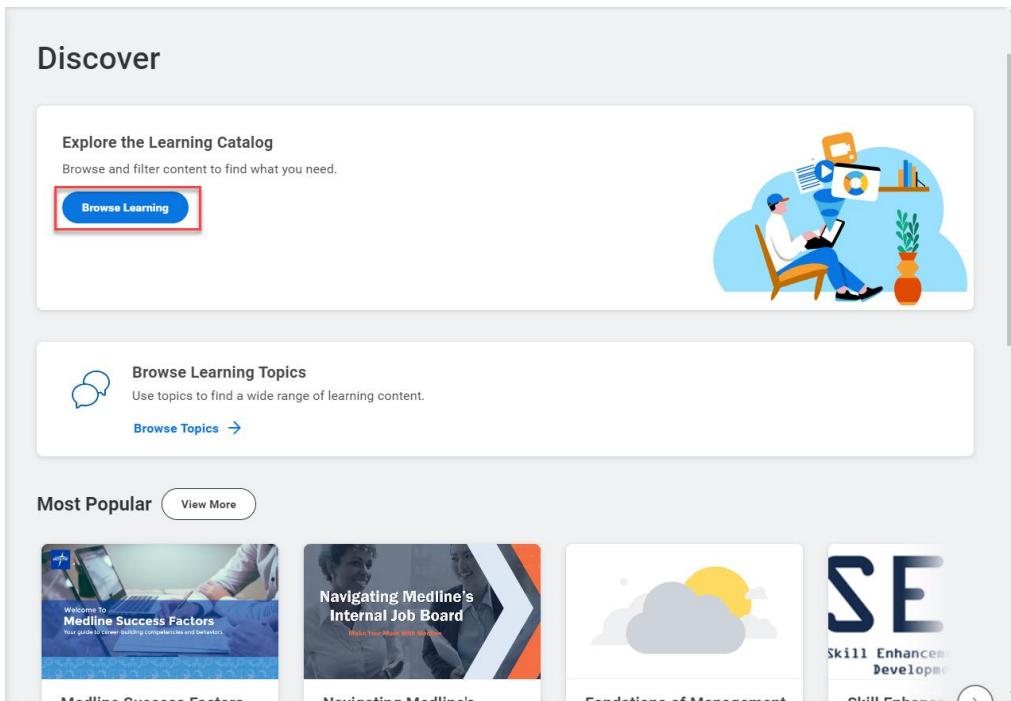

Add Content to a Learning Path

After creating a learning path, you must add content. To add content to a learning path:

1. Select a learning path.
2. Click **Add Content**.

3. From the Discover tab, click **Browse Learning** to find content or select a course from the Most Popular section. See *Search for Courses* for more information on finding a course.

Viewing your Learning Path

To view your learning path(s):

1. Select the **My Learning** tab within the Learning app.

2. Your learning path(s) will display. Click **View Path** to see the courses available in this path.

The screenshot shows a user interface for managing learning paths. At the top, there are two tabs: 'Created By You (1)' (which is selected, indicated by a blue underline) and 'Saved By You (0)'. To the right of these tabs is a button labeled 'Create a Path'. Below the tabs, a list displays a single learning path card. The card has a title 'My Professional Development', a subtitle 'Created by You • 04/04/2024', and a visibility setting 'Only Me'. At the bottom of the card are two buttons: 'View Path' (which is highlighted with a red box) and a three-dot menu icon.
